

## Product description

|                     |                          |
|---------------------|--------------------------|
| Mode No             | KP-Q8-AC7K-1-H           |
| Rated voltage       | AC 230V                  |
| Input frequency     | 50/60Hz                  |
| Output power        | 7KW                      |
| Working temperature | -30 ℃~+50 ℃              |
| Start mode          | Card swipe/APP/Plug&play |
| Protection rank     | IP66                     |
| Gun line length     | 5 meters                 |
